Installation of the radios (UAJ) is proceeding, but has been delayed. The Project manager asked for ODC assistance in contacting the contractor to finalize the mod schedule. [1](#)D. MARSHALL CENTER.

1) "Lessons Learned from Recent Terrorist Attacks", Ljubljana, 28 June - 01 July 2005. The conference brought together over 100 experts from 27 NATO - Russia Council nations to compare lessons learned from recent Islamic-militant attacks, with emphasis on presentations from the US, Spain and Turkey. Slovenian Foreign Minister Dr. Dimitrij Rupel opened the conference. Also speaking at the opening were US Ambassador to Slovenia Thomas B. Robertson, German Ambassador Hans Jochen Peters, Director of Russia Relations at the Political Affairs and Security Policy Division Paul Fritch, and George C. Marshall European Center for Security Studies Director Dr. John Rose.

2) While in Slovenia Dr. Rose met with several senior officials from the ministries which send their employees to the George C. Marshall Center for resident programs and conferences. The main topic of discussion at all the Ministries was how to bolster cooperation and attract more Slovene participants to the Marshall

Center resident seminars (Program in Advanced Security Studies and Program in Terrorism and Security Studies).

3) Dr. Rose met with the Minister of Interior Dragutin Mate. Mr. Mate reassured that the Marshall Center provides valuable training for the Ministry of Interior and the Police. Further the Minister expressed interest in co-hosting a conference in 2007 on a topic that would be interesting for both parties.

4) At the Ministry of Foreign Affairs, Dr. Rose met with Ambassador Mitja Strukelj, Secretary General and Dr. Janez Sumrada, Head of the Policy Planning and Research Division. Mr. Sturkelj stressed that the Ministry of Foreign Affairs has a shortage of personnel and many activities (OSCE presidency, preparing for the EU presidency) that prevent them from sending more people to the Marshall Center resident seminars.

5) At the Ministry of Defense, Dr. Rose, Mr. Franci Znidarsic, Deputy Minister and Mr. Drago Bitenc, Head of Personnel Department, discussed how to make sure that the MOD/Slovene Armed Forces personnel will be given credit for attending Marshall Center resident seminars. Currently attending resident courses doesn't provide any career enhancement and thus the personnel are not motivated to attend 3-month training in Garmisch. Dr. Rose will provide syllabi for the core and elective courses, which will help the MOD include Marshall Center seminars in the MOD education and training system.

6) The Marshall Center Graduate support office hosted "Slovenia Security Cooperation Roundtable" on the topic of "Transatlantic Cooperation and Security after 9/11". Approximately 20 alumni participated.
